

Vision Care Services

Your eyeglass examination includes testing for visual acuity, glaucoma, cataracts, plus a general screening for eye health and medical history.

You pay only the specialist copayment listed on your ID card. Additional medical procedures are also covered under your medical plan as long as you are eligible.*

*a deductible may apply

Complete Pair Eyeglass Materials Discounts*

Frames:

You may choose any frame priced up to \$100 and pay only \$40. If you select a frame priced higher than \$100, you pay the retail difference over the \$100, plus the \$40 co-pay. For example, a \$120 frame would be \$60 (your \$40 co-pay plus the \$20 retail difference over the \$100 allowance).

Lenses:

You may choose from the following lens types and pay the prices listed for each pair of uncoated CR-39 plastic lenses.

Single Vision	\$38
Bifocal	\$58
Trifocal	\$79
No-line Bifocal (standard)	\$149

Common Lens Packages

Choice Single Vision	\$129.98
Thin, lightweight, impact resistance, no glare, UV protection, scratch resistance, and 1 year warranty.	
Choice Progressive	\$229.98
Thin, lightweight, impact resistance, no glare, UV protection, scratch resistance, and 1 year warranty.	
Ultimate Progressive	\$299.98
Ultra thin, lightweight, no glare, UV protection, scratch resistance, and a 1 year warranty.	

FREE Prescription Sunglasses!
